2. The postcodes of the top five parking fine recipients over the last two financial years, and the number of parking fines they received.

2017/18		2018/19	
Postcode	**Number of Parking Penalty Notices**	**Postcode**	**Number of Parking Penalty Notices**
2025	111	2000	109
2009	108	2035	97
2049	93	2042	96
2300	91	2028	96
2026	88	2028	96
Total	**491**	**Total**	**494**

Notes:

1. Data as at 21-Nov-2019 and may change retrospectively as further fines are loaded.

2. Data based on parking fines issued between 01-Jul-2017 and 30-Jun-2019.

3. The postcode where fine was issued is based on the offence suburb recorded against the fine.

4. The postcode of the recipient of the fine is based on the address of the current party to the fine.

5. In question 1, there are more than ten postcodes tied for 'bottom 10 postcodes'.

6. Postcodes in question 2 are based on parties that are individuals only.
